Canada Distribution List

News Distribution List Canada – English Language

A Canadian national circuit that delivers news to a target audience of key media, analysts, investors, and market participants in Canada, including:

- Online financial databases and financial content aggregators
- Major broker terminals
- Key financial institutions, analysts and investment dealers
- Online media databases and major news sites
- Social media and mobile trading platforms
- SEDAR and SEDI filings available; for compliance with Provincial Securities Commissions
- TSX-approved distribution
- CSE Web posting available for CSE listed companies

Our Distribution Lists Contain No Artificial Fillers.

Driven by a commitment to transparency, our global distribution lists are honest, accurate and easy to understand. That's why our lists are compact and concise, rather than artificially inflated.

When judging the authenticity of distribution lists, it's good to know how Newsfile's approach sets a different standard based on getting results you can trust.
