

## Focused News Distribution List

Germany – German Language Translation Required

Focused distribution to reach a German speaking audience. This circuit offers precise geographical targeting to optimize your story for the DACH regions of Germany, Austria, Switzerland, and Liechtenstein; where German acts as the first language of the vast majority of people.

Covers the entire German speaking financial community, including news agencies, websites, databases and posting to the Frankfurt Stock Exchange.

## Our Distribution Lists Contain No Artificial Fillers.

Driven by a commitment to transparency, our global distribution lists are honest, accurate and easy to understand. That's why our lists are compact and concise, rather than artificially inflated.

When judging the authenticity of distribution lists, it's good to know how Newsfile's approach sets a different standard based on getting results you can trust.
