Focused Distribution - France

Focused News Distribution List

France – French Language Translation Required

Focused distribution to reach a European French speaking audience. This circuit offers precise geographical targeting to optimize your story for the French speaking regions of Europe, comprised of Belgium, France, Luxembourg, Monaco, and Switzerland.

Direct posting to all media outlets, financial websites, databases and news agencies (newspapers, magazines, TV, radio), and certified by the AMF (Autorité des marchés financiers) to meet disclosure requirements for listed companies (Euronext Paris).

Our Distribution Lists Contain No Artificial Fillers.

Driven by a commitment to transparency, our global distribution lists are honest, accurate and easy to understand. That's why our lists are compact and concise, rather than artificially inflated.

When judging the authenticity of distribution lists, it's good to know how Newsfile's approach sets a different standard based on getting results you can trust.
