Focused Distribution - Nordic

## Focused News Distribution List

Nordic – Swedish Language Translation Required

A focused distribution circuit that offers precise geographical targeting to optimize your story for the Nordic region of Europe, comprised of Denmark, Finland, Iceland, Norway, and Sweden.

Direct posting to all media outlets, financial websites, databases, and news agencies (newspapers, magazines, TV, radio).

Swedish translation is required.

## Our Distribution Lists Contain No Artificial Fillers.

Driven by a commitment to transparency, our global distribution lists are honest, accurate and easy to understand. That's why our lists are compact and concise, rather than artificially inflated.

When judging the authenticity of distribution lists, it's good to know how Newsfile's approach sets a different standard based on getting results you can trust.
