### Investment Philosophy and Objective

The Fund invests primarily in precious metals (gold, silver and platinum) in the form of bullion, coins, receipts and certificates, and in common shares and other securities of Canadian and foreign companies involved directly or indirectly in the exploration, mining and production of these metals. The Fund limits its silver and platinum holdings to 20 per cent of its net asset value. The Fund may from time to time have a large portion of its assets in cash or cash equivalents in response to changing market conditions.

VP and Senior Portfolio **Mr. Christopher Beer** CFA® MBA BSc [christopher.beer@rbc.com](mailto:christopher.beer@rbc.com)

Start Date  
01-Jan-00

Chris leads the coverage of the Energy and Materials sectors, and co-manages the RBC Global Precious Metals, RBC Global Resource and RBC Global Energy Funds. He is a member of the Canadian Equity Committee. Chris has been researching and analyzing natural-resources companies since 1993, with a focus on precious metals and base-metal mining companies.

Chris graduated from Memorial University of Newfoundland with a bachelor's of science degree in geology. He also earned an MBA in finance from the Joseph L. Rotman School of Management at the University of Toronto. Chris earned the Chartered Financial Analyst designation in 1996.
