Investment Philosophy and Objective

The GAMCO Global Gold, Natural Resources & Income Trust is a nondiversified, closed-end management investment company. The Fund's investment objective is to provide a high level of current income. The Fund's secondary investment objective is to seek capital appreciation consistent with the Fund's strategy and primary objective. Under normal market conditions, the Fund will attempt to achieve its objectives by investing 80% of its assets in equity securities of companies principally engaged in the gold and natural resource industries, and by writing covered call options on the underlying equity securities.
