Investment Philosophy and Objective

Junior Gold's objective is to provide long-term capital growth from a globally diversified portfolio investing primarily in small to medium capitalization companies specializing in identifying, developing and extracting gold. It may also invest in mining companies extracting other precious metals. There may be occasions, in light of adverse market conditions, when the Investment Manager chooses to hold high levels of cash, bonds and government securities. The Investment Manager may use derivatives for efficient portfolio management purposes only.

CEO **Mr. Angelos Damaskos** MSc MBA BSc adamaskos@sectorinvestments.com

Mr Damaskos is a Greek national who arrived in the UK in 1981 to attend university. Graduated in 1985 from the University of Glasgow with a Degree in Mechanical Engineering and in 1989 obtained a Masters in Business Administration (MBA) from the University of Sheffield. He benefits from more than 14 years investment banking experience with major banks in the City of London concentrating on natural resources.

Before setting up Sector Investment Managers, he most recently worked with the European Bank for Reconstruction and Development where he was responsible for some of the bank's equity investments in Russia and the CIS.
