

eXeBLOCK AND NODALBLOCK MUTUALLY TERMINATE PROPOSED MERGER—ISSUANCE OF EARLY TERMINATION SHARES

Vancouver, British Columbia, August 18, 2022 – eXeBlock Technology Corporation (CSE: XBLK) (“eXeBlock” or the “Company”) has agreed with Nodalblock Canada Holdings Inc. (“Nodalblock”) to mutually terminate their proposed amalgamation, originally announced on December 7, 2020.

Market conditions in the micro-cap technology marketplace have deteriorated as 2022 has progressed and are presently as challenging as they have been in recent memory. Market trading volumes are exceptionally low, investors have an overriding risk-off attitude and are not responding to positive news, and available capital is limited.

The Company also wishes to announce that, in consideration of the early termination of the merger agreement, Nodalblock will issue to eXeBlock 350,000 common shares of Nodalblock.

eXeBlock is proceeding with its review of alternate opportunities.
